Pacific Seacraft is known for blue water boats that are made to sail around the world. This is a Flicka Hull 375. She is in great shape. New bottom job , new cushions. Ready to sail We are asking 21,500 for the boat only. We also have a new triad trailer that we paid 9000. We can discuss pricing for the trailer separately. Motivated to sell. Our slip runs out in May and would like to find a new owner by then.Call - Click here to reveal phone number -
